Work History

Georgia Tech Center for Quality Growth and Regional Development *Graduate Research Assistant*

(Aug 2022 - May 2023) | Atlanta, GA

Utilized machine learning, data visualization techniques, and spatial multicriteria decision analysis to design a Community Decision Support tool for a local county in the Atlanta Metro.

Designed and demoed lab exercises for a Public Health Analytics course.

JumpStart Inc.

Research and Data Intern

(Nov 2020 - Aug 2022) | Cleveland, OH

Cleveland based nonprofit providing pro bono assistance to tech startups across the Rust Belt.

Created, deployed, and maintained a Power BI dashboard system that synced with company generated data in real time.

Performed a data migration across two instances of Salesforce.

Awards and Leadership Experience

Schermerhorn Award

2022

Awarded to an outstanding senior studying Sociology at CWRU.

Director / Founding Member / Know Your Neighbors CWRU

2020 - 2022 | Cleveland, OH

Grassroots, student led organization working to encourage interaction and engagement between CWRU students and the off-campus community.

VP / Founding Member / #MeToo CWRU

2020 - 2022 | Cleveland, OH

On-campus organization that serves as a support network and voice for survivors of sexual assault.

Chapter Coordinator / Founding Member / Ohio Student Association

2020 - 2022 | Cleveland, OH

Statewide advocacy group that teaches young people organizing skills. Worked on Cleveland's Issue 24 police reform measure, passed Nov. 2021.
